Mrs. Astrid Rizzi,
Great Start Ltda,
Rua Sto. Arcádio, 469
São Paulo, S.P.

Dear Astrid,

I have been meaning to write to you for sometime to thank you for your assistance in locating an executive secretary for me. I also wanted to congratulate you as a business woman in your efforts to meet very serious deadline for me in April. I very much appreciated your willingness to come in to the office and fill in for the temporary girl who was sick on Friday the 20th which was also a holiday.

I wish you continue to have success in your company Great Start and I am sure Cargill will call on your services in the future.

Best regards,

Douglas R. Linder,
Presidente,
Cargill Agrícola S.A.
