Dear Astrid,

I would like to thank you most sincerely for all the effort and hard work you have put into selecting the right engineering personnel for our MEASUREX INTERNATIONAL in Brazil.

Your assistance and recommendations have proved to be excellent and there is no doubt in my mind we could have done no better if we had handled the whole process ourselves in Brazil. You certainly did a fine job and it is most appreciated since you are helping us get started in Brazil earlier than we even had hoped for.

With best personal wishes for your continued success,

Yours Very Truly,
MEASUREX INTERNATIONAL CORPORATION
